# ACTION MEMORANDUM

## OFFICE OF THE DIRECTOR

Action Memorandum No. A-111

Date 20 November 1962

TO : Deputy Director (Intelligence)

SUBJECT : Regular Roundup of Refugee Reports

REFERENCE:

1. This is to confirm the Director's request made at the morning briefing of 19 November that we commence a regular roundup of refugee reports on Cuban affairs. It would be my impression that what the Director wants is a weekly summary and analysis of what is being reported from refugee circles. Inasmuch as Cuban refugees are now emigrating to other Latin American countries as well as the United States, I believe that this should be done by the Office of Operations in collaboration with WH Division.

2. The Director also requested an assessment of the photographic and eye-witness reports on outgoing missiles.

3. Will you take the responsibility for production of these reports. Please furnish this office and the DDCI with copies of any reports or memoranda on the subject.
